TO: Each Health Deputy

FROM: John Viernes, Jr. Director
Alcohol and Drug Program Administration

SUBJECT: **FUNDING AUGMENTATION FOR VARIOUS PROVIDERS TO PROVIDE SERVICES FOR THE SCREENING, BRIEF INTERVENTION, REFERRAL, AND TREATMENT (SBIRT) DEMONSTRATION PROJECT**

This is to inform you that we plan to implement the adjustments and reallocations provision for our agreement with various providers using the delegated authority granted by the Board on May 30, 2008 (Board Agenda Synopsis #34). This provision allows the Director of Public Health or his authorized designee to augment funds in amounts up to 25 percent of each contract's budget.

I am recommending this funding augmentation to enable the agencies to start providing services for the Screening, Brief Intervention, Referral, and Treatment (SBIRT) demonstration project. The funding will be provided by a grant from the Department of Health and Human Services, Substance Abuse and Mental Health Services Administration, Center for Substance Abuse Treatment. Alcohol and Drug Program Administration is proposing to augment the contract as indicated in the following attachments.

Attachment 1 - Description of the services affected by this amendment
Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.

COMMUNITY ASSESSMENT AND SERVICE CENTER PROGRAM SERVICES (ADPA, GENERAL RELIEF, or CALWORKs)

Community assessment and service center program services are those services which include utilization of a standardized and computerized/automated substance abuse and mental health assessment, intake, and referral system; collaborative and cooperative linkages with public and private social and health service providers; intake, assessment, and referrals to substance abuse and mental health residential or non-residential treatment services or other ancillary services, such as domestic violence and Human Immunodeficiency Virus (HIV) resources; development and maintenance of participant related ancillary resources directory; outreach to and networking with service providers and County residents; and maintaining collaborative and cooperative linkages with other resources to support increased access to a comprehensive range of specific services needed by each program participant.
